

Step 1
Print this pdf two sided

Step 2
Cut the black solid lines

Step 3
Fold at the dashed lines
with increasing numbers

Hint
Fold the other way first,
to help you fold precisely.

The image is a handwriting practice sheet for the letter 'K'. It features a large, light gray 'K' in the center. To the right of the 'K' is the name 'Youetta Kunneman' and contact information: 'yj.kunneman@gmail.com' and 'www.you-et.com'. The sheet is divided into two main sections by a horizontal line. The top section contains a diagram of the letter 'K' with four numbered arrows indicating stroke order: 1 (vertical line down), 2 (top diagonal line down), 3 (middle diagonal line down), and 4 (top horizontal line). The bottom section contains several numbered arrows and dashed lines for tracing: 11 (horizontal line right), 14 (horizontal line right), 15 (horizontal line left), 16 (horizontal line right), 70 (curved line), and 76 (horizontal line right). A vertical dashed line runs through the middle of the bottom section, with an upward arrow above it. A horizontal dashed line runs across the middle of the bottom section, with a rightward arrow above it.
